

Toledo Area Artists 88th Annual Exhibition, July 28–September 3, 2006

The Toledo Area Artists exhibition is co-organized by the Toledo Museum of Art and the Toledo Federation of Art Societies. Now in its 88th year, the TAA exhibition is the longest-running annual juried arts exhibition in the United States. Each year, artists from Northwest Ohio and Southeast Michigan enter works of art in media ranging from ceramic to wood and from watercolor to glass. The 88th TAA will exhibit works of art created in the past four years by artists who now, or in the past, reside in Northwest Ohio or Southeast Michigan. The TAA is supported in part by the Ohio Arts Council.

The brief exhibition catalogue includes illustrations of the prize-winning works of art.

INTRODUCTION

The Toledo Federation of Art Societies and the Toledo Museum of Art welcome you to the 88th Annual Toledo Area Artists exhibition! This exhibition features contemporary works created by regional artists and craftspeople. This exhibition was juried by Susan Bandes, the Director of the Kresge Art Museum at Michigan State University in East Lansing, MI, and Sergio De Guisti, an internationally known sculptor from Redford Township, MI. The jurors were faced with the daunting task of distilling over 800 submissions down to the 115 works that form this exhibition.

The staff of the Toledo Museum of Art and the Toledo Federation of Art Societies have devoted a great deal of their time and talent to organize and execute this exhibition. I would like to recognize and thank the following for their unending support and dedication: the Executive Board and Delegates of TFAS; Don Bacigalupi, Director of the Toledo Museum of Art; Claude Fixler, TMA Installation Coordinator; Julia Habrecht, TMA Exhibitions Administrator, and all of the Museum support staff. But, most importantly, thank you to the many artists and craftspeople who have supported and continue to support this exhibition!

I hope that you enjoy the labors of our region's talent!
